Good Afternoon. There are just a few items that need clarification:

- **Grand Day**: Our Annual Grand Day Celebration will be held on Friday, April 3, 2020. There were some invitations that went home with an incorrect date, so please be sure that you have Friday, April 3 on your calendar.
- Returning Student Registration on Smart Tuition: Families should have received notification from Smart Tuition regarding their registration fee and tuition for next year. Please be reminded that the first installment will contain an additional \$48, which is the annual set up fee that is charged by Smart Tuition each year.
- Returning Student Registration on PowerSchool Enrollment Portal: We are VERY close to being ready to send everyone the link for the online school registration look for that by the end of next week.
- Bus and Textbook Forms: Most forms that you usually fill out will be done online this year. There are however, a few forms that must have original signatures, such as the Transportation and Textbook forms. These forms will be emailed to everyone by the end of the week, and must be returned to school by March 1. The links on the website are not working at the moment, but they will be soon.
- New Student Registration: Registration will open for new families (including siblings) in March. Priority will be given to siblings and current school families (who have completed the re-registration process) before new families are accepted. Also, if there is any existing family who has not registered when registration opens to the general public, there is a chance that you will lose your current spot.
- Diocesan Tuition Assistance: As mentioned in my email yesterday, the application is open for tuition assistance through the Diocese. To access the application, visit <a href="https://diometuchen.org/tuition-assistance">https://diometuchen.org/tuition-assistance</a>
  The deadline for applications is March 31.
- **Registration email:** If you have any questions regarding registration, please email Registration@sttaob.com

Thank you and have a good night.
