Winter 2022

2022 is in full swing at St. Thomas!

Catholic Schools Week was a blast!

The students and faculty highly enjoyed all of the fun activities and dress down days we had throughout the week. The H.S.A. celebrated the students with "One Smart Cookie" treats. We also delivered a tasty breakfast to our faculty. The busy week was brimming with prayer and fun-filled activities.

Thank you to all who participated!

Thank You
